

Countermeasure Fees

The Drug Free Communities funds are collected from local dollars through the following offender fees:

- ◆ A drug abuse, prosecution, interdiction and correction fee of at least \$200 and not more than \$1,000 assessed against a person convicted of drug offense. Those would include dealing, manufacturing and/or possessing.
- ◆ An alcohol and drug countermeasures fee of \$200 assessed from any alcohol or drug related offense, including driving under the influence, minor possession of alcohol, possession of marijuana or other drugs.

Distribution of Fund

The Governor's Commission for a Drug-Free Indiana has designated a Local Coordinating Council (LCC) in every county within the state. These LCCs are responsible for overseeing the allocations of the Drug Free Communities Fund. The LCC minimizes duplication of efforts so that time is efficiently spent addressing alcohol, tobacco and other drug issues. The LCC is a network of individuals, groups and organizations responsible for :

- Developing a comprehensive community plan
